

PA Meetings are always held in the Staff Room, which is just off Reception. However, new parents may not know exactly where this is, so..... imagine you are standing on the pavement opposite the school. To left of the school (your left as you're facing it) there is a small entrance. This is the one you need. Drive slowly (5mph max) and you will notice some parking spaces on the right. You can park here, or if they're full (Weight Watchers have their meeting in the school hall, on the same night!) continue as far as you can and you will see an area to the left (referred to as the Dutch Barn) where you can park. For your information, behind this are the tennis courts (hard-standing) where we hold the Car Boot Sales.

Please do not leave valuables in your car! There is an entrance door to the school (you may have driven past it, depending on where you managed to park!) which should be visible to you. This takes you into Reception. Please stand with your back to the Reception Office Window and you will see a corridor in front of you. The Staff Room is on the right hand side. Simply walk straight in. Most people arrive around 6.50/6.55pm, a few arrive after 7pm, due to family commitments, but we do try to start the meetings at 7pm.

The Staff Room really is quite easy to find, if you drive through the right entrance from the road. If all else fails, follow the Weight Watchers signage – we're not far away from the Hall, where they meet!!
