

Katie Panton

I'm a new parent to the school, my son Jack joined Y7 in September 2007. I'm also new to PA work and I joined the group because I wanted to be involved in the school and to help with raising funds to help STRS provide extra resource for the students.

I recently volunteered to organise the Christmas Fayre. This is a great fundraising event which has always been well supported and I hope will continue to be so.

I live in Stoke Orchard, Cheltenham with Nick (my husband), Jack, and his younger sister Eve, plus various animals. My day job is in Public Affairs for a large pharmaceutical company, where I'm responsible for the interface with the Welsh Assembly Government with regard to health policy for Wales. I spend an inordinate amount of time on the train or in the car on the M5/4 between Cheltenham and Cardiff and my head office in Maidenhead. When I'm not doing that I'm ferrying the children to a myriad of activities so there's precious time left for much else.

If you have any ideas or contributions for the Christmas Fayre, please feel free to contact me katie.panton@pfizer.com
